ABOUT US

A Family Story, Served with Italian Tradition

More than three decades ago, brothers-in-law Ekrem Hyseni and Alban Bulliqi came to America from Albania with their families, bringing with them a strong love of family, hard work, and great food.

Ekrem's passion for Italian cooking began years earlier in the kitchens of Venice, Italy, where he learned the art and traditions of Italian cuisine. From perfectly sautéed chicken and seafood to rich, savory sauces, Ekrem developed the skills that would eventually inspire his own delicious interpretations of classic Italian dishes.

After arriving in Houston, Alban began working in the pizza business while attending school. Over the years, he perfected his craft, developing his own signature pizza dough and authentic sauce the same recipes our guests continue to enjoy today. Family members quickly recognized something special in the talents these two brought together. With encouragement from their families, Ekrem and Alban decided to combine their experience, recipes, and love of good food to create a family-owned and operated Italian restaurant.

And so, **ADRIATIC CAFE & ITALIAN GRILL** was born!

What began as a family dream has grown into seven locations, but the heart of Adriatic Cafe remains the same: welcoming guests like family and serving generous portions of delicious Italian food made with care. Today, the original restaurants continue to thrive while new generations of guests discover Adriatic Cafe for themselves. We are incredibly grateful for the loyal following that has grown alongside us and especially for the many customers who have become friends and part of the Adriatic Cafe family.

From our family to yours, Welcome to Adriatic Cafe & Italian Grill.
We're glad you're here!
